Absent - Mayor Roger Weatherwax

Denise Lovett by motion dispensed of the reading of the minutes for March 4, 2019 and approved them. This motion was seconded by Jason White.

No action was taken on the Sidewalk Project Byler Road East due to the fact that the Utility Supervisors have not looked over the plans to make sure that unforeseen cost would be incurred after the project would start. Cassandra Lee Councilwoman for the District the Byler Road East Project is to be in wasn't in agreement with the other members that voiced to wait on the input from the Supervisors. Due to the fact that the project was purposed several years ago and she has worked tirelessly trying to accomplish this for her district she felt like it should be proceeded with.

Resolution 2019-001 which imposed the cost of having to demolish a house at 179 Sommerville Ave., Moulton, AL to a tax lien on the property was approved by motion by Denise Lovett and seconded by Joyce Jeffreys.

Renay Saint Building Inspector gave his current report on the different properties and updates on new business planning on coming to Moulton.
