At previous work sessions the sewer rates had been discussed and the need for an increase in charges was looked at. After reviewing cost/charges for sewer it was determined for the base rate to be increased \$1.00 per quarter for 2 years and also increase the per 1,000-gal cost after 2,500 gal to \$5.00 per 1,000 we would be on our way to getting more stable with the cost/charges.

Motion to increase on this schedule: Joyce Jeffreys
