Property located next to the sewer treatment plant was purchased in the 90's by the City but never recorded so now the property owner Jeremy Blaxton has offered to sell the property in the amount of \$32,500.00.

The Council decided to table this matter until we could have the property appraised.

Chief Craig Knight had ask for the take home policy for patrol cars miles limit be increased to 40 miles because that has become an issue in getting applicants for the vacant position in the police department.

After much discussion Council decided that they needed more specifics as to what was being ask in determining the mileage a person could drive a car home. Per Cassandra Lee and all other Council members this item was tabled till Chief Knight could give clarification on the distance etc.
