Alicia Roper was called on by the Mayor due to being present in the audience. She wanted to request again what the City is going t do about the flooding of

Crow Branch and other areas around Moulton. The Mayor responded by stating that it is out of the scope that the City can handle – the cost is enormous, also the City doesn't have equipment or knowledge to do that type of project – the Corp of Engineers has been contacted along with representative etc. It is the understanding of the Mayor that Moulton is on the list for funding in 2025 and that is all anyone can do at this time. There was extended discussion on this between several of the Council and Ms. Roper as to everyone is aware of the issues but limited on what can be done without Federal help.

Mayor Weatherwax ask for a motion to adjourn:
